Re: Stepup Scaffolding Products

Dear Sir/Madame:

Thank you for your interests in Stepup's scaffolding products. It is manufactured by SEM Metalworks, in Wuxi, China.

This certificate of conformity is to certify that the Stepup branded Ring System scaffolds are in conformity with CAL OSHA 1637 and ANSI 10:8 standards that apply to the steel scaffolding. The Stepup branded Ring System scaffolds are also compatible with Layher ALLROUND® system scaffolds, and other brands of system scaffolds that are compatible to Layher ALLROUND® system scaffolds.

If you have any other questions regarding the quality and compatibility of the Stepup Ring System scaffolds, please feel free to contact me at 901-452-0188.

Thank you for your consideration of Stepup products.

Sincerely yours,

John Chen
Chief Operations Officer
